Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner initiated a call to the Applicant's attorney, Mr. Purohit on behalf of Mr. Castellano, in order to offer an Examiner's Amendment to expedite prosecution. The Examiner suggested incorporating new claim 49 into each independent claims 1 and 32 with some modified claim language. The Applicant's attorney after contacting his Applicant faxed an amendment proposal to the Examiner which is attached to this interview summary. The Examiner agreed to these amendments and has moved forward with the Allowance through an Examiner's Amendment. Also, the Examiner acknowledges that the allowable independent claims are still generic and therefore has made a rejoinder of all previously withdrawn claims.
